

HOW TO REGISTER FOR A CLASS

PLEASE READ REGISTRATION INFORMATION CAREFULLY

In order for The Firearms Academy of Seattle, Inc. to maintain a high degree of integrity and effectiveness in our programs, it is essential that you understand the following information BEFORE enrolling in an F.A.S. course. Our courses fill rapidly -- often as far in advance as 8-10 weeks prior to the scheduled class. Please register as early as you are able.

To enroll in an F.A.S. course, you need to do the following

1. Print out and complete this registration form and send to F.A.S. at the address below, with a tuition deposit and a photo copy of your license to carry a concealed handgun or other accepted background check as indicated below.

Please understand that due to the advanced nature of the material presented, it is necessary to "screen" those civilians to whom we teach police based, advanced self-defense and firearms instruction. F.A.S. requires a valid State Issued Concealed Weapons Permit, police ID or military ID, for all courses *except* Level 1 Rifle, Defensive Handgun, Pepper Spray/Mini-Baton Seminar, Handgun Selection, Fundamentals of Home Defense, Concealed Carry 101 and the Handgun Safety Seminar. Students in these programs will be required to sign a statement that they are legally entitled to own handguns prior to participation.

For students attending classes that require a background check before participation:

If you do not have a concealed carry license, we will accept a police background check that checks criminal history records nationally.

Deposits are required to register in a class, and are not refundable once the confirmation letter has been sent. You will be asked to make non-refundable tuition deposit of the entire class fee for one-day classes, and a \$100 tuition deposit for multiple day classes. With at least one week prior notification, F.A.S. will apply the deposit towards a future F.A.S. class if you cannot make it to the class in which you reserved a spot. Emergencies handled on a case-by-case basis, so please call us if a problem arises after you've registered.

2. You may register by phone by calling 1-360-978-6100, between 9 a.m. and 4 p.m., Tuesday through Friday with VISA or MasterCard number for the tuition deposit. You will receive your receipt in the mail, along with confirmation letter, map to the range, and other information you will need to attend the class.

Upon receipt of your deposit and registration form, you will be sent maps and directions to the range, and all other information necessary to attend the classes, including equipment lists, and lodging information for Chehalis, if you plan to spend the night there. If you have any questions, please do not hesitate to give us a call, Monday thru Friday, 9:00 am to 4:00 pm.

It is necessary to pre-register for all F.A.S. classes. Please use the form on the next page.
